Murray Bridge High School
BYOD Printing from iOS (iPad/iPhone) Devices using Mobility Print

Version 1 – 10 August 2018

All printing at Murray Bridge High School is monitored and subject to the ICT acceptable use policy.

This guide covers the steps for printing using iOS (iPad/iPhone) devices that are connected to the Murray Bridge High School BYOD network.

1. Open the app that you want to print from.	
2. To find the print option, tap the app's share icon	⟵ or ⬆ — or tap •••
3. Tap 🖨 or **Print**. If you can't find the print option, check the app's User Guide or Help section. Not all apps support printing.	
4. Tap **Select Printer** and choose the printer that you would like to print to.	
5. If prompted, enter your **MBHS network username and password** to connect to the printer.	

6. Choose the number of copies or other options, like which pages you want to print.	Cancel **Printer Options** Print Printer copier >￼ 1 Copy − + Options Double-sided, Colour, A4 Range Pages 1-6 > Double-sided ◯ Black & White ◯ Paper A4 >
7. Tap **Print** in the upper-right corner.	
8. Collect your printing from the printer.
